Description: Unit 2 was unoccupied parked in a parking space. Unit 1 was parked in the space directly north of Unit 2. Per the surveillance video, Unit 1 attempts to leave and Unit 2 is seen rocking in place as Unit 1 side swiped it. Unit 2 had a slight scuff mark on the driver's side front corner bumper. I was unable to find any new damage on the passenger side of Unit 1. It should be noted there was heavy damage on the driver's side of Unit 2 which the driver confirmed was from another event.
