Description: Unit 1, a snow plow contracted by a neighbor as a favor to the elderly homeowners, was pushing snow from the driveway of 6245 Mahogany Circle. While doing so, Unit 1 backed up to push the snow toward the street, with the tailgate of the truck facing the house. Unit 1 backed up too far, striking the garage door with the trailer hitch, denting the garage door of the home. Insurance information was collected from the driver, which was provided to the homeowner. Photos were taken of the door.
