LOCATION 3225 Blue Heron Trace (Pool parking lot)		

Blue Heron Pool lot

Unit #1 was parked and unoccupied. Unit #2 backed from it's space across the lot from Unit #1. The driver of Unit #2 continued in a backing motion until making rear-to-rear contact with Unit #1. Unit #2 then exited the lot. This was all supported by surveillance video provided to the driver of #1 upon her request by Blue Heron Management. Follow up was conducted with the driver of Unit #2, who stated that she knew she bumped Unit #1, but didn't think it caused any damage.
