Unit #1 was parked within a parking stall in the parking lot of GetGo when Unit #2 backed into her vehicle. Both units exchanged information and left the scene. Unit #1 came to the station later on and wanted a Private Property Crash Report taken. I gathered all of her information and attempted to call the other party multiple times without hearing back. I did leave several voicemail's and even called Portage County Sheriff to get a good number for him with no luck. Info exchanged was added.
