Unit 1 and Unit 2 were arriving at Trillium Creek at the same time in the lower parking lot. Unit 1 made a right turn to eventually back in to the second handicapped parking spot. Unit 2 thought Unit 1 was continuing right to additional parking spaces. Unit 2 began to overtake Unit 1 on Unit 1's left and both suffered damage to the rear end of each Unit after Unit 1 started backing. Unit 1 suffered slight damage to the rear bumper and Unit 2's bumper was partially detached on my arrival.
