He showed me a picture of the neighbors flood lights illuminated onto his property, and into his windows. He talked to [redacted] regarding this issue and a letter was sent to the homeowner at [redacted]. I spoke with the homeowners at [redacted] and they advised the lights were adjusted this week during the warm temperatures. I told them about the picture [redacted] showed me. They took me outside and the flood lights on the southwest corner were facing down ward. The lights on the northeast corner were facing forward, but the were told by [redacted] they could not be illuminating the road, and they believed they were no longer. They advised they would re-access them tonight, and follow-up with [redacted] on Monday.	PD-26010893 03 : Assist Citizen
