The RO was female, but a male was driving. I checked the RO's name card and Link Analysis, and located a male matching the driver. The car was now parked at Super 8, and the male was seated in the drivers seat. I asked him if his name was and he replied no, so I asked him his name. He provided name and DOB. He admitted to having a suspended license when asked. He was under a non-compliance/FRA and failure to reinstate suspension. He was cited for both, and the car was parked at Super 8.
