

ADDENDUM TO MONTVILLE TOWNSHIP  
ZONING CERTIFICATE APPLICATION

NOTICE

*The following information shall be communicated by the builder to their  
customers who are building homes within Montville Township.*

Please be advised that if at any time now or in the future you wish to construct a bridge on your property, either covered or uncovered, as part of the driveway to your residence and/or accessory building, that the Montville Township Trustees strongly recommended that you contact the Medina City Fire Department for their specifications as to the weight bearing capacity, width and height necessary for the bridge to support Emergency Vehicles. This recommendation is being made for your protection and the protection of your property.

*I have given a copy of this information to the future owners of the home being built under the attached Zoning Certificate.*
